Trash Andy Mulligan 2010-10-12 In an unnamed Third World country, in the not-so-distant future, three “dumpsite boys” make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It’s up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, *Trash* is a heart-pounding, breath-holding novel.

Fire in the Ashes Jonathan Kozol 2013-09-03 In this powerful and culminating work about a group of inner-city children he has known for many years, Jonathan Kozol returns to the scene of his previous prize-winning books, and to the children he has vividly portrayed, to share with us their fascinating journeys and unexpected victories as they grow into adulthood. For nearly fifty years, Jonathan has pricked the conscience of his readers by laying bare the savage inequalities inflicted upon children for no reason but the accident of being born to poverty within a wealthy nation. But never has his intimate acquaintance with his subjects been more apparent, or more stirring, than in *Fire in the Ashes*, as Jonathan tells the stories of young men and women who have come of age in one of the most destitute communities of the United States. Some of them never do recover from the battering they undergo in their early years, but many more battle back with fierce and often jubilant determination to overcome the formidable obstacles they face. As we watch these glorious children grow into the fullness of a healthy and contributive maturity, they ignite a flame of hope, not only for themselves but also for our society.

Lord of the Flies William Golding 2003-12-16 Golding’s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The Jungle Upton Sinclair 2010-08-19 A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

The Beauty in Breaking Michele Harper 2021-06-29 A NEW YORK TIMES BESTSELLER A New York Times Notable Book “Riveting, heartbreaking, sometimes difficult, always inspiring.” —The New York Times Book Review “An incredibly moving memoir about what it means to be a doctor.” —Ellen Pompeo As seen/heard on Fresh Air, The Daily Show with Trevor Noah, NBC Nightly News, MSNBC, Weekend Edition, and more An emergency room physician explores how a life of service to others taught her how to heal herself. Michele Harper is a female, African American emergency room physician in a profession that is overwhelmingly male and white. Brought up in Washington, D.C., in a complicated family, she went to Harvard, where she met her husband. They stayed together through medical school until two months before she was scheduled to join the staff of a hospital in central Philadelphia, when he told her he couldn’t move with her. Her marriage at an end, Harper began her new life in a new city, in a new job, as a newly single woman. In the ensuing years, as Harper learned to become an effective ER physician, bringing insight and empathy to every patient encounter, she came to understand that each of us is broken—physically, emotionally, psychically. How we recognize those breaks, how we try to mend them, and where we go from there are all crucial parts of the healing process. *The Beauty in Breaking* is the poignant true story of Harper’s journey toward self-healing. Each of the patients Harper writes about taught her something important about recuperation and recovery. How to let go of fear even when the future is murky: How to tell the truth when it’s simpler to overlook it. How to understand that compassion isn’t the same as justice. As she shines a light on the systemic disenfranchisement of the patients she treats as they struggle to maintain their health and dignity,

Harper comes to understand the importance of allowing ourselves to make peace with the past as we draw support from the present. In this hopeful, moving, and beautiful book, she passes along the precious, necessary lessons that she has learned as a daughter, a woman, and a physician.

There Will Be No Miracles Here Casey Gerald 2019-10-01 NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB PICK "Somehow Casey Gerald has pulled off the most urgently political, most deeply personal, and most engagingly spiritual statement of our time by just looking outside his window and inside himself. Extraordinary." —Marlon James "Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir." —BookPage The testament of a boy and a generation who came of age as the world came apart—a generation searching for a new way to live. Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides. His story begins at the end of the world: Dallas, New Year's Eve 1999, when he gathers with the congregation of his grandfather's black evangelical church to see which of them will be carried off. His beautiful, fragile mother disappears frequently and mysteriously; for a brief idyll, he and his sister live like Boxcar Children on her disability checks. When Casey—following in the footsteps of his father, a gridiron legend who literally broke his back for the team—is recruited to play football at Yale, he enters a world he's never dreamed of, the anteroom to secret societies and success on Wall Street, in Washington, and beyond. But even as he attains the inner sanctums of power, Casey sees how the world crushes those who live at its margins. He sees how the elite perpetuate the salvation stories that keep others from rising. And he sees, most painfully, how his own ascension is part of the scheme. *There Will Be No Miracles Here* has the arc of a classic rags-to-riches tale, but it stands the American Dream narrative on its head. If to live as we are is destroying us, it asks, what would it mean to truly live? Intense, incantatory, shot through with sly humor and quiet fury, *There Will Be No Miracles Here* inspires us to question—even shatter—and reimagine our most cherished myths.

A Medic's Mind Matthew Heneghan 2022-07-11 'A riveting read of the difficult and important things of what medics do.' Matthew Heneghan doesn't see people at their best. Instead, they come to him in desperate need. The experience of needing a medic can be like waking up in a foreign country. You frantically want to know, 'What is happening with me?' The ability to reassure people, to give the foreign country a 'name,' helps people. Author Matthew Heneghan always knew he wanted to be a medic. In this raw new medical memoir, he interweaves the stories of his growing up with the brutal realities of living with life and death each day. With sensitive observation and graceful writing, this book explores the highs and lows of being a paramedic in a world where everything is not always what it seems. Matthew writes that being a paramedic caused his 'soul to bleed.' It is not about the practicalities of the job but about the evil of the world that he is forced to see day after day. He calls himself part of the 'walking wounded.' In 'A Medic's Mind -Love, Loss and All Things in between,' Matthew Heneghan writes of the life-altering experiences and other struggles he faced in his journey to becoming a good medic - from being a youth in a home where his mom struggled with mental illness, to his medic training in the United States army. He tells of exhausting shifts as a paramedic and coming face-to-face with his own mortality and the socioeconomic dilemmas of his patients. It is a read not to be missed!

Little Dorrit Book 2 Charles Dickens 2013-05-09 Presented in Large Print Format for easy reading this is *Little Dorrit Book 2 Volume I* The air there was charged with the scent of gathered grapes. Baskets, troughs, and tubs of grapes stood in the dim village doorways, stopped the steep and narrow village streets, and had been carrying all day along the roads and lanes. Grapes, split and crushed under foot, lay about everywhere. The child carried in a sling by the laden peasant woman toiling home, was quieted with picked-up grapes; the idiot sunning his big goitre under the leaves of the wooden chalet by the way to the Waterfall, sat munching grapes; the breath of the cows and goats was redolent of leaves and stalks of grapes; the company in every little cabaret were eating, drinking, talking grapes. A pity that no ripe touch of this generous abundance could be given to the thin, hard, stony wine, which after all was made from the grapes!
