Black Bounds Charlotte Byrd 2018-07-17 I don't belong with her. Born into darkness, life made me a cynic incapable of love. But then Ellie waltzed in. Innocent, optimistic, kind. She's the opposite of what I deserve. I bought her, but she she stole my heart. Now my business is going up in flames. I have only one chance to make it right. That's where it happens...something I can never take back. I don't cheat on her. There's no one else. It's worse than that. Much worse. Can we survive this? Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - Dancer in the Dark "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - Lover of Alpha "Addictive and damaged, their love burns slowly but deeply." - Heroes and Alphas "Their chemistry sizzles right from the beginning. He's the gorgeous and dangerous stranger we all need in our life." - Making Words Up "Her words made me fall in love. It slayed me!" - Sizzling Books "Left my head spinning! I never wanted it to end!" - Heartbreakers and Heroes

Filthy Wolf Liza Street 2020-07-13 This broody wolf shifter thought he'd never find his true mate. But a human woman is about to prove him wrong. Jessica, a human, doesn't know what to believe when an ill-advised trek through the woods lands her in a supernatural territory filled with dangerous shapeshifters. One man in particular makes her heart go pitter-patter, but he's brusque and bossy and pushes her away at every turn. That can't be love, can it? Wolf shifter Marcus doesn't do friendship—not since his buddy died. He doesn't do packs—not since he had to kill one of his own packmates. And he sure as hell doesn't do mates—not since the last woman he loved rejected him. But Jessica is turning everything he believed upside down, and he'll do whatever it takes—make friends, form a pack, and even fall in love—to protect her. Filthy Wolf is the second standalone book in the Junkyard Shifters series. It features a wounded hero, a feisty heroine, and all kinds of naughty language and sessytimes. True Harmony Amy Knupp 2021-04-27 He's all business all the time. Now he's suddenly a dad. Fiddle player Eliza Bancroft had to improvise after an unplanned pregnancy four years ago. Instead of pursuing her dream of performing live music, she changed keys and has focused on being a good mom and a sought-after studio musician in Nashville. Her rhythm is set until she spots her son's father in a local magazine and realizes the man she was unable to track down lives right under her nose in Music City. As head of the family and CEO of North Brothers Sports, Mason North doesn't have time for play. His life mission is to build the family business—his father's legacy—so it can thrive for years to come. When the company's future becomes endangered, he mounts a full-scale assault to protect what matters the most. Then an unforgettable woman from his past lays a four-year-old truth bomb on him that blows up his priorities. Though they come from different worlds, the attraction from before still hums between Eliza and Mason. But Mason has spent a lifetime entrenched solely in business, and Eliza has two hearts to protect. Can he embrace a more harmonious approach and give them a second chance at love? True Harmony is the fourth stand-alone book in the North Brothers series and includes a steamy second-chance romance for a workaholic CEO and a single-mom fiddle player, an overzealous dog named Blitz, and a three-year-old in need of a dad. Submerge yourself into the North Brothers' world now! Input for Instructed L2 Learners Anna Nizęgorodcew 2007-01-10 This book makes Relevance Theory (RT) relevant for L2 teachers and L2 teacher educators, in particular those working in foreign language teaching contexts. L2 classroom discourse data collected in seven research projects in the years 1984 – 2004 are reinterpreted in this book in the light of Relevance Theory - a theory of interpretation of the incoming messages. In this perspective the teachers' input for instructed L2 learners facilitates shifts in the learners' attention from meaning to form and vice versa. Such shifts of attention, according to Relevance Theory, change the level of expected optimal relevance of classroom communication, either focusing the students on form-oriented communication (accuracy), on meaning-oriented communication (fluency) or on meaning and form-oriented communication (fluency combined with accuracy). The latter is considered optimal for L2 learning/acquisition. Apart from the main focus on the relevance-theoretic interpretation of the teachers' input, the book presents an overview of other theoretical approaches to the question of input for instructed L2 learners: the SLA approach, the communicative L2 teaching perspective, and the L2 classroom discourse approach.

Kabbalah for Beginners: An Introduction to Jewish Mysticism Theo Lalvani 2021-08-19 The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

Grannies, Inc. Guide to Knitting Katie Mowat 2012-10-25 When it comes to knitting, who knows better than our nan? If you get tangled in a ball of wool, she's always the first person you call to help you sort your cross stitch from your cable. While recruiting for her fledgling online knitwear company, Katie Mowat swiftly realised that it was mainly older women, namely grannies, who were volunteering their services, and so Grannies Inc. was born. Since 2009 they have gone from strength to strength, and from one product (beanies), they now design and produce a whole range of knitwear. Her crack squad of 15 grannies will be contributing their 'purls' of wisdom and patterns to help the new knitting generation in this attractive book. With knitting patterns for snoods, legwarmers, slouch socks, laptop cases and beanies, you'll be cool and cosy in no time. As the grannies say, 'May your bobbin always be full.'

Implantation Biology Ralph S. Greco 1994-03-24 This new book is the first of its kind to characterize the host implant interface at both the basic science and clinical level. The book defines the interactions of various cell types with a variety of biomaterials by discussing the basic science of these interactions. This study is important because in today's world of bionics, implantable devices represent a major component of medical practice. They are associated with significant cost and substantial benefit to many

patients and morbid complications for many others. Advances in biotechnology promise to lead to the development of artificial prosthetic organs in the near future, compounding this already complex milieu. Implantation Biology enumerates the clinical applications of biomaterials from the surface viewpoint in multiple disciplines. It provides the reader with an historical perspective of the evolution of these clinically utilized biomaterials, as well as an important look at future directions in biomaterials and artificial organs research. Chapters are written by internationally respected experts in their fields and offer both a comprehensive review of biomaterial sciences and a unique specialty-by-specialty analysis of clinical applications.

Handbook of Lubrication and Tribology Robert W. Bruce 2012-07-06 Since the publication of the best-selling first edition, the growing price and environmental cost of energy have increased the significance of tribology. Handbook of Lubrication and Tribology, Volume II: Theory and Design, Second Edition demonstrates how the principles of tribology can address cost savings, energy conservation, and environmental protection. This second edition provides a thorough treatment of established knowledge and practices, along with detailed references for further study. Written by the foremost experts in the field, the book is divided into four sections. The first reviews the basic principles of tribology, wear mechanisms, and modes of lubrication. The second section covers the full range of lubricants/coolants, including mineral oil, synthetic fluids, and water-based fluids. In the third section, the contributors describe many wear- and friction-reducing materials and treatments, which are currently the fastest growing areas of tribology, with announcements of new coatings, better performance, and new vendors being made every month. The final section presents components, equipment, and designs commonly found in tribological systems. It also examines specific industrial areas and their processes. Sponsored by the Society of Tribologists and Lubrication Engineers, this handbook incorporates up-to-date, peer-reviewed information for tackling tribological problems and improving lubricants and tribological systems. The book shows how the proper use of generally accepted tribological practices can save money, conserve energy, and protect the environment.

Before He Sees (A Mackenzie White Mystery—Book 2) Blake Pierce 2016-09-14 From Blake Pierce, bestselling author of ONCE GONE (a #1 bestseller with over 600 five star reviews), comes book #2 in a heart-pounding new mystery series. In BEFORE HE SEES (A Mackenzie White Mystery—Book 2), FBI agent-in-training Mackenzie White struggles to make her mark in the FBI Academy in Quantico, trying to prove herself as a woman and as a transplant from Nebraska. Hoping she has what it takes to become an FBI agent and leave her life in the Midwest behind for good, Mackenzie just wants to keep a low profile and impress her superiors. But all that changes when the body of a woman

is found in a garbage dump. The murder bears shocking similarities to the Scarecrow Killer—the case that made Mackenzie famous in Nebraska—and in the frantic race against time to stop a new serial killer, the FBI decides to break protocol and give Mackenzie a chance on the case. It is Mackenzie's big break, her chance to impress the FBI—but the stakes have never been higher. Not everyone wants her on the case, and everything she touches seems to go wrong. As the pressure mounts and the killer strikes again, Mackenzie finds herself as a lone voice in a sea of experienced agents, and she soon realizes she is in way over heard. Her entire future with the FBI is in jeopardy. As tough and determined as Mackenzie is, as brilliant as she is in hunting down killers, this new case proves an impossible riddle, something just beyond her reach. She may not even have time to crack it as her own life falls apart around her. A dark psychological thriller with heart-pounding suspense, BEFORE HE SEES is book #2 in a riveting new series—with a beloved new character—that will leave you turning pages late into the night. Book #3 in the Mackenzie White Mystery series will be available soon. Also available by Blake Pierce is ONCE GONE (A Riley Paige mystery—Book #1), a #1 bestseller with over 600 five star reviews on Amazon—and a free download!

Exposed Kristen Callihan 2021-07-13 Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness.

Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.

A Glimpse of Eternal Snows Jane Wilson-Howarth 2013-02-05 Set against the backdrop of one of the most colorful countries in the world, A Glimpse of Eternal Snows is an inspiring story of courage, love and a family's determination to give their child the best life possible. In pulsating, polluted Kathmandu and an idyllic village on a river island at the foot of the Himalayas, 'Doctor Jane' and her engineer husband Simon hope to make a difference: Jane to fulfil her vision to heal and advocate for the poor, Simon to avert the floods that threaten to devastate the land every monsoon season. The Nepali people are accepting of whatever fate flings at them and here the family find sanity, compassion and joy with baby David, who in England was little more than an 'interesting case'. This is a tale of Himalayan highs and monsoon lows, of cultural complexities, unexpected wildlife and rugged terrain, of vivid color, superstition and spicy smells.
