A Memoir Genna Sapia-Ruffin 2002-11-01 Here's the powerful story of a woman's life--a lonesome sojourn through a labyrinth in pursuit of love and strength. The path twists and turns through time, and upon encountering David Ruffin, lead singer of The Temptations, her destiny is met.

Deliver Us from Temptation Tony Turner 1992 An inside look at the lives and careers of the Temptations and other Motown artists traces the lives, from their roots in the deep South to their first big success to worldwide fame. 25,000 first printing. National ad/promo.

Jenni Vive: Unforgettable Baby! (Bilingual Edition) Jenni Rivera Estate 2015-10-27 Official book authorized by the Jenni Rivera Estate. Jenni Vive: Unforgettable, Baby! is a moving collection of never-before-revealed images of the singer Jenni Rivera personally selected by her family. The photos from her childhood and family life, handwritten cards and notes to her children, photos with her fans, and images of her amazing career commitment to the Hispanic community. Previously unpublished pages from her personal journals allow an intimate glimpse into the soul of Jenni and provide insight into the inherent strength and unwavering faith that kept her afloat even during her most trying times. This deluxe bilingual (Spanish) edition is a fitting tribute to Jenni's legacy and an everlasting keepsake for her fans. Jenni Vive: Unforgettable, Baby! es una colección conmovedora de fotos nunca antes reveladas de la cantante Jenni Rivera personalmente seleccionadas por su familia. Incluye fotos de su niñez familiar, cartas y notas escritas a mano para sus hijos e imágenes de su increíble carrera y su compromiso con la comunidad hispana. Páginas personales ofrecen una mirada íntima al alma de la verdadera Jenni y proveen un entendimiento de la fuerza innata y la fe inquebrantable que la llevaron a flotar aún en sus momentos más difíciles. Esta edición bilingüe (inglés y español) es un tributo al legado de Jenni y un recuerdo eterno para sus fans.

Organizing For Dummies Helen Roth 2011-03-21 What's the favorite four-letter word of people who are less than fully organized? "Help!" So many technological, social, and economic changes affect your life that you need organization just to keep up, let alone advance. Many people have jobs at the office and one taking care of things at home. If you have a family, you may count that as a third job. Caring for elderly relatives or handling other commitments? You can count off four, five, and keep right on going. No matter what life stage you're in, getting organized can make every day easier and help you achieve your long-term goals. Organizing For Dummies is for anyone who wants to Polish his or her professional reputation Experience the benefits of organization Increase productivity Build better relationships Maximize personal time Organization isn't inherited. With the human genome decoded, the evolution is clear: DNA strings dedicated to putting things into place and managing your time like a pro are nonexistent. Instead, organization is a learned skill. Organizing For Dummies helps you gain that skill with topics such as: Understanding how clutter costs you in time, money, and health Training yourself to be organized and developing a plan Cleaning house, room by room, from basement to attic (including the garage) Creating functional spaces and storage Time-management strategies for home, office, and travel Scheduling, delegating, and multitasking Making time for your family Maintaining your health - physical and financial Finding time for love Organizing and cashing in on a great garage sale Getting organized is about unstuffing your life by clearing out the dead weight in places from your closet to your calendar to your computer, and then installing systems that keep the good stuff organized. Organizing is a liberating and enlightening experience that can enhance your effectiveness and lessen your stress every day - and it's all yours for the saying "No" to clutter.

Completely Keto Cookbook Harlan Kilstein 2018-03-30 One of the biggest challenges to the Keto lifestyle is the absence of familiar foods. Harlan Kilstein has made it his mission to demonstrate that Keto foods can be delicious - in fact - better than non-keto foods. Coming from a family of experienced Keto eaters, Harlan Kilstein converted family favorites to Keto. His recipes receive rave reviews from the hundreds of thousands who follow his daily recipes on YouTube. His Cheesecake recipe (which appears in this book) is being acclaimed as the best cheesecake recipe in the world. His Memphis style ribs, tasty matzo ball soup please the most discriminating palates. Keto comes in different varieties: there's Lazy Keto, If It Fits Your Macros, programs for increased protein and weight lifting, and many others. Harlan Kilstein's Completely Keto is for those who are serious about Keto as a lifestyle and looking for a quick fix. Over time, you'll be astounded by the improvement in your health markers including weight, inches, level of sugar, and cholesterol. You'll find more than 175 recipes in this book for day-to-day eating as well as special occasions. There are numerous recipes that taste so good you don't understand why we say these recipes are so good, they couldn't possibly be Keto. Please note: Harlan shows you how to calculate the macros for every recipe in the book. Since people constantly change ingredients and portion sizes in recipes, it is important that you calculate your macros yourself. Harlan is continually amazed at Harlan's ability to know what folks want to eat and then make it not only Keto, but TASTIER than the non-Keto version. So important it is to never feel deprived when going Keto and Harlan's recipes hit that spot perfectly!" - Kim Howerton TheKetonist.com

Stand Up to Stigma Pernessa C. Seele 2017-10-23 "Seele's tireless efforts to remove disparities in health care—and wherever we need more understanding and acceptance—is nothing short of inspirational." —John Hope Bryant, Chairman, Operation HOPE "Stigma" is a simple two-syllable word, yet it carries the weight of negative and often unfair beliefs that we hold about those who are different from us. Stigmas lock people into stereotyped behaviors and deny them the right to be our authentic and whole selves. Public health activist Dr. Pernessa Seele, one of Time Magazine's 100 Most Influential Personalities in 2006, has crafted a proven method to address stigma. This powerful book confronts stereotype development, shows how to undo the power of stigma, and explains how we can radically change cultural thinking on the individual, interpersonal, and societal levels to put an end to stigma once and for all. "Pernessa's book can make a difference in your life. In a powerful way, it gets to the heart of a complex issue. Many people are unaware of others without realizing it, and Seele helps readers understand what they can do to change their attitudes and actions." —Jeff Pegues, Justice and Security Correspondent, CBS News "In sharing cogent reflections based upon her pioneering experiences as a courageous health advocate, Pernessa squarely identifies the societal toll taken by stigma and stereotyping—and delineates the steps we can take to reaffirm the dignity we each possess as a virtue of our humanity." —Natalia Kanem, MD, Acting Executive Director, United Nations Population Fund

There Was a Time Alan Leeds 2020-02-25 "Alan Leeds was a protégé of James Brown and a true historian of the world that nurtured the greatest soul singer. Alan was a witness to the vibrant black music scene of the '60s and '70s—whose book is both a memoir and a document of a lost world of soul. George, an American author, columnist, music and culture critic, journalist, and filmmaker A behind-the-scenes look at the Chitlin' Circuit during the American's most vital period of soul music—from the eyes and ears of a young, Jewish kid from Queens who joined the team of the hardest working show business and learned the art of the music business at the hand of the performer who mastered it. In the mid-'60s, Alan Leeds was a young

for his way into the music business. An interview with James Brown to promote a local show in Virginia led to an opportunity to promote concerts, which then led to Brown hiring him to help run his tours. Soon Leeds was wearing many hats and traveling around the country as a complicated web of local promoters and managers, all too willing to try to rip him off. In this riveting book—part memoir, part history—Leeds offers a wholly new and remarkable portrait of Brown as an idiosyncratic iconoclast, determined artist, and forceful businessman. It is a rare look into the life of a man known to white America immediately following the Civil Rights Movement. Leeds discovers that Brown is a fascinatingly complex man and that his experiences, both business and personal, range from emotional to humorous. All the while, they navigate the complicated world of popular Black America, told by someone who actually lived it. "Over the course of his long life in music as a tour manager, archivist, writer, and fan, Alan Leeds has a ringside seat for some of the greatest moments in soul and funk history—from James Brown in the sixties to Prince in the eighties to D'Angelo in the years of the 21st century. His eye for detail and his abiding love for the music shine through in this affectionate, inspirational memoir. Alan Leeds is a true time hero!" —Ahmir "Questlove" Thompson

That Winter Pamela Gillilan 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequel, a moving elegy. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her poem That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

The Last Holiday Gil Scott-Heron 2012-01-03 In a musical career spanning five decades, from Small Talk at a 125th and Lenox (1970) to I'm Not Dead (2010), Gil Scott-Heron (1949–2011) released twenty albums and many seminal singles including "The Revolution Will Not Be Televised," "Home of the Hatred Is," "Winter in America," "B Movie" "Johannesburg" and "Lady Day and John Coltrane." He was also the author of three previous books and novels, The Vulture (1970) and The Nigger Factory (1972) and Now and Then, The Poems of Gil Scott-Heron.

Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in the State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt from the book

James Brown

Analytixz Professor Griff (Musician) 2009 Professor Griff is an internationally renowned educator, writer, producer, musician, platinum recording artist, and founding member of the pioneering and revolutionary hip hop group Public Enemy. He draws upon his own extensive entertainment industry experience and a vast reservoir of historical scholarship and research to deliver this poignant message.

Junk Gypsies Jolie Sikes 2016-10-04 New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-based HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a pair with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasure. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting rare and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n' roll, southern charm, and these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsies. Stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty spirited romantics, and true-blue rebels who have ever dared to dream big.

How the Word Is Passed Clint Smith 2021-06-01 Instant #1 New York Times Bestseller Winner of the National Book Critics Circle Award for Nonfiction Winner of the Stowe Prize Winner of 2022 Hillman Prize for Book Journalism PEN America 2022 John Kenneth Galbraith Award for Nonfiction New York Times 10 Best Books of 2021 A Time 10 Best Nonfiction Books of 2021 Named a Best Book of 2021 by The New York Times, The New York Times, The Boston Globe, The Economist, Smithsonian, Esquire, Entropy, The Christian Science Monitor, WBEZ's Nerdette Podcast, TeenVogue, Goodreads, SheReads, BookPage, Publishers Weekly, Kirkus, Fathom Magazine, the New York Public Library, and the Chicago Public Library One of GO's 50 Best Books of Literary Journalism of the 21st Century Longlisted for the National Book Award Los Angeles Times, Best Nonfiction Gift One of People's Favorite Books of 2021 This compelling #1 New York Times bestseller examines the legacy of slavery in America—and how both history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of major landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central to the nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters about the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former slave plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation turned security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of the Green Bay Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, How the Word Is Passed illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan. The brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the stories of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful future that we and history can play in making sense of our country and how it has come to be.

Big Breasts and Wide Hips Yan 2012-01-04 Jintong, his mother, and his eight sisters struggle to survive through the major crises of twentieth-century China, which include civil war, invasion by the Japanese, the cultural revolution, and communist rule in the new China.

Arms for Living Gene Tunney 2011-05-01 How Army And Navy Service Can Give A Man Courage, Sportsmanship And Discipline That Will Benefit Him During His Entire Life.

Sentipensante (Sensing/Thinking) Pedagogy L. Rendón 2012-03-27 * An inspirational and holistic approach to teaching by a renowned Latina scholar * Defines seven steps to unlocking the potential of teachers and their students * Deeply informed by the author's educational journey as a woman from a background of rural poverty Laura Rendón is a scholar of national stature, known for her research on students of color and first-generation college students, and on the factors that promote and impede student success. The motivation for the quest that Laura Rendón shares in this book is the realization that she, along with many educators, had lost sight of the deeper, relationship-centered essence of education, and lost touch with the connection between educating for academics and educating for life. Her purpose is to reconnect readers with the original impulse that led them to become educators and to help them rediscover, with her, their passion for teaching and learning in the service of others and for the well being of our society. This is a transformative vision of education that emphasizes the harmonic, complementary relationship between the sentir of intuition and the inner voice of the pensar of intellectualism and the pursuit of scholarship; between teaching and learning; formal knowledge and wisdom; and between Western

Western ways of knowing. In the process she develops a pedagogy that encompasses wholeness, multiculturalism, and contemplative practice. Students transcend limiting views about themselves; fosters high expectations, and helps students to become social change agents. She invites us to share her journey in developing sentipensante pedagogy, and to challenge seven entrenched agreements about education that act against our appreciation of truth in all forms. She offers examples of her own teaching and of the classroom practices of faculty she encountered along the way as guidance on the challenges, rewards and responsibilities that anyone embarking on creating a new vision of teaching and learning should expect. Though based on the author's life work in higher education, her insights and approach apply equally to all teaching and learning contexts.

Motow Sharon Davis 1988

Lisa Lopes Nancy Krulik 2002-08-01 "Dreams are hopeless aspirations, in hopes of coming true, believe in yourself, the rest is up to me and you." "Waterfalls" Tionne "T-Boz" Watkins, Lisa "Left Eye" Lopes, and Rozonda "Chilli" Thomas came together in Atlanta, Georgia, in the early 1990s to form TLC, a group that blended hip-hop, dance, and R&B music so successfully that it went on to be one of the bestselling female groups of all time. The story of how Lisa Lopes, the self-proclaimed "crazy" member of TLC, rose above her difficult childhood to attain superstardom. With her fun-loving and vivacious personality, Lisa pursued her dreams and became known as the most energetic member of TLC, who went on to pave the way for other female groups that followed.

Dare to Lead Brené Brown 2018-10-09 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put this new science into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have all the answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we don't realize it until we've failed. We can't invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer to get by. AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family businesses to nonprofits, civic organizations, and Fortune 500 companies all ask the same question: How do you cultivate braver, more daring leadership? How do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the accessible, no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, vulnerability, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

I Feel Good James Brown 2005 From his humble Georgia roots to his chart-topping soul and R&B, here's an intimate and poignant look back at the triumphs, and tribulations of James Brown, the indisputable "Godfather of Soul."

Warning Miracle

The Secret Life of Henry North Côté Dahlinger 1978

Enemy of the Harvest George Guilford 2016-02-29 "The Enemy Wants to Kill Your Harvest." In his debut literary offering, Apostle George Guilford's *Enemy of the Harvest* is a powerful revelation that unveils the subtlety of the devil's attacks designed to hinder your divine harvest. The enemy can cause you to doubt God's Word and His promises, he can also block your blessings and the provision for your life. No matter what has happened in the past, this amazing book will show you how to break the curse of generational poverty and destroy the strongholds that come to strangle you. As 10:10 says, "The thief cometh but for to steal, kill and to destroy..." but Jesus declares, "I am come that you might have life and life more abundantly in the kingdom of God, there is no lack, but plenty of provision and blessings that adds no sorrow. Therefore, you can stand in assurance, walk in confidence, and never again let the enemy block your inheritance. Sow your seeds of faith in good ground and get ready to reap the overflow. With this powerful teaching, you can get the victory and keep "the enemy of the harvest," under your feet.

Aaliyah Christopher John Farley 2002-01-26 Don't miss the inspirational biography behind the exciting new Lifetime movie *Aaliyah: The Princess* starring Alexandra Shipp as the extraordinary singer Aaliyah. Aaliyah Dana Haughton was that music business rarity: a teen idol who transformed into a critically acclaimed hip-hop soul artist, a singer who successfully made the transition to actress, and a beautiful woman who never let her celebrity go to her head. Following her impressive debut at age fourteen with the album *Age Ain't Nothin' but a Number*, Aaliyah raised the bar with her hugely influential and bestselling follow-up, *One in a Million*. She then took her talents to Hollywood, starring in the action thriller *Romeo Must Die* and the highly anticipated horror film *The Queen of the Damned*. But soon after the release of her third album in the summer of 2001, Aaliyah's life was cut short in a tragic plane crash. Here is the inspirational story of the star *The Washington Post* dubbed "Hip-Hop's Lady Di"—a woman who, by the time she died at age twenty-two, touched legions of fans around the world with her haunting voice and gentle spirit.

The Christmas Stocking Pat Richards 1996 Provides patterns and instructions for making a variety of decorative Christmas stockings

Hard Luck Steve Springer 2011-04-01 The story of boxing legend Jerry Quarry has it all: rags to riches, thrilling fights against the giants of the sport, the glory of Heavyweights (Ali—twice, Frazier—twice, Patterson, Norton), a racially and politically electric sports era, the thrills and excesses of fame, love, hate, joy, and pain. And tragedy. Like the man he fought during two highly controversial fight cards in 1970 and '72—Muhammad Ali—boxing was a life for Jerry Quarry. He was to suffer gravely. He died at age fifty-three, mind and body ravaged by Dementia Pugilistica. In *Hard Luck*, "Irish" Jerry Quarry's life—from his Grapes of Wrath days as the child of an abusive father in the California migrant camps to those as the undersized heavyweight champion on his way to multiple title bouts and the honor of being the World's Most Popular Fighter in '68, '69, '70, and '71. The story of Jerry Quarry's life is the richest in the annals of boxing, and through painstaking research and exclusive access to the Quarry family and its archives, Steve Springer and Steve Chavez have captured it all.

Shelton, Wininger, and Pace Family Album Harold Casey 1988 Descendants of John Shelton born in late 1700's. He married Catherine Messer in 1720 in Hawkins County, Tennessee.

Just Around Midnight Jack Hamilton 2016-09-26 When Jimi Hendrix died, the idea of a black man playing lead guitar in a rock band seemed exciting. Years earlier, Chuck Berry had stood among the most influential rock and roll performers. Why did rock and roll become white? Jack Hamilton explores the racial categories that distort standard histories of rock music and the 60s revolution.

Divided Soul: The Life Of Marvin Gaye David Ritz 2010-01-07 David Ritz presents his uniquely candid and intimate account of the tumultuous life of the Prince of Soul music, Marvin Gaye. Author Ritz has assembled years of conversations and interviews from his life as a close friend and lyricist for the gifted Soul sensation, and tells the Marvin Gaye story with fly-on-the-wall accuracy and detail. From his early years as an abused child in the

Washington DC, through his rise to the very peaks of the Motown phenomenon, his fall from grace and subsequent comeback, to his untimely death. The story of Marvin's life, from the hands of his father, Marvin's story is the stuff of legends. The cast of characters includes the Jacksons, Smokey Robinson, Diana Ross and other icons of the world of soul music. The definitive biography of an enormously gifted and sensitive musician.

Island Light Alexander Key 2011-03-01 A fugitive from federal justice, Lieutenant Max Ewing returns home to the port city of Apalachicola to seek revenge. The War Between the States has ended, but Apalachicola remains occupied by federal troops and local opportunists emboldened and empowered by the war. Revenge, loyalty, honor, passion, and greed clash in this dramatic tale, set among the raw and rugged elements of Florida's coast at a turbulent time in its history.

A Coaches Collaborative Henry Katie 2016-09 If you operate your own coaching business - whether online or in person - you know there is a lot to learn. Get a jumpstart on the big stuff with this book written by 12 inspiring coaches across all markets! From money mindset to managing a team, this is a manual for coaches. Written in collaboration by: Annika Suoma Frey Bonnie Chase RN Kelly Caldwell Carla Gibson DC Cherrise Boucher Aliza B. Robinson Dana Attkisson Croy Melissa Kirkpatrick Misti Patrella Patti O'Leary Tarryne West Katie Henry Kavita Singh Here's some feedback from beta readers: "I think this book seems like a very valuable tool for aspiring coaches. It covers every aspect of the profession and really shows the profession that you can't practice if you don't have your own ducks in a row. If you're not authentic, at peace and together yourself, you will be labeled a fraud and lose credibility. This book offers the tools to help coaches identify the needs of their clients and relate to them on a personal and an individualized approach that can be implemented many different ways. Cool concept." S.B. "The Team Management Chapter was an easy read and informative. Being a loyal Tony Robbins follower, I was amazed that I had never heard of the assessment testing he provides. I was glad that it was in the chapter along with other ways to learn more about yourself and your team member's strengths. This book will be a great asset to new coaches alike." E. Z. "I LOVE YOUR CHAPTER on authenticity Katie. You can feel your energy, positivity and light through your words. You spread your message in your writing because it is so authentic and real and you embody your message in how you share it. The advice you gave was 100% real foundation to kicking off ANY business- not only for healers. This is a constant theme throughout the entire book...genuine, intuitive and from the heart. I will definitely share this book with the entrepreneurs who are my clients. Thank you!" KS

National American Kennel Club Stud Book

Homespun Heroines and Other Women of Distinction Brown 1988-04-14

Motown Encyclopedia Graham Betts 2014-06-02 Motown means different things to different people. The mere mention of perhaps the most iconic label in history is often enough to invoke memories and mental images of Marvin Gaye, Diana Ross, Stevie Wonder, The Temptations, The Jackson 5, Supremes and numerous others. With each group recalled, there is an accompanying piece of music of the mind, from Baby Love, My Girl, Sign a Promise Delivered, I Heard It Through The Grapevine, ABC and Tears Of A Clown and countless more. Quite often, you can ask people what kind of music they like and they will simply answer 'Motown', and both they, and you, know exactly what is meant. Or rather, what is implied. The Motown they are thinking of is the label that dominated the charts in the mid 1960s with a succession of radio friendly, dance orientated hits, most of which were produced by the trio of Brian Holland, Lamont Dozier and Eddie Holland. This period is referred to, naturally enough, as the Golden Era, when Motown was not only the dominant force in its home city of Detroit but carried The Sound of Young America all around the world. The kind of music that was dancing in the street from Los Angeles to London, Miami to Munich and San Francisco to Sydney. It was the kind of music that attracted so many imitators; some good, some not so good. The kind of music that appealed to the public and presidents alike, and still does. It was that Motown sound that was intended to be about. However, when you start digging deeper into the Motown story, you realise that throughout its life (which, for this book, is its formation in 1959 through to its sale in 1988) it was constantly trying other musical genres, looking to grab hits out of jazz, country, soul, middle of the road and whatever else might be happening at the time. Of course it wasn't particularly successful at some of the other genres, but those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth, the group, and the total sales achieved on Rare Earth, the label. This book, therefore, contains biographies of all 684 artists who had releases on Motown on various imprints, as well as biographies of 16 musicians, 23 producers, 19 writers and 13 executives. There are also details of the 50 or so films Motown owned, licensed to or licensed from. All nine films and the 17 soundtracks are also featured. Every Motown single and album and EP is featured. Top Ten of the pop charts in either the US or UK also have their own entries, with 222 singles, 84 albums and five EPs being featured. Finally, other entries, covering such topics as the Hollywood Walk of Fame, the Motortown Revues, Grammy Awards and the most played Motown songs. The 1,178 entries cover every aspect of Motown and more - of the link between Granny in The Beverly Hillbillies and Wonder Woman, of the Abbey Tavern Singers to Zulema, and the hits from ABC to You Really Got A Hold On Me. The Motown Encyclopedia is the story of Motown Yesterday, Today, Forever.

Ezzard Charles William Dettloff 2015-05-23 Greatness is often overlooked in its own time. For Ezzard Charles—one of boxing's most skilled prizefighters with a record of 93–25–1 (52 KO)—recognition took decades. Named by The Ring magazine as the greatest light heavyweight of all time, Charles frustrated in his attempts to get a shot at the 175-pound title, and as World Heavyweight Champion (1949–1951) struggled to win the respect and captivated by Joe Louis' power and charisma. This first-ever biography of "The Cincinnati Cobra" covers his early life in a small country town, his career in the glamorously dirty business of prizefighting in the 1950s, one of the sport's Golden Ages. Charles' fights with Louis, Jersey Joe Walcott, Marciano and his three wins over the legendary Archie Moore are detailed.

Learning Go Programming Vladimir Vivien 2016-10-26 An insightful guide to learning the Go programming language About This Book Insightful coverage of Go programming syntax, constructs, and idioms to help you understand Go code effectively Push your Go skills, with topics such as, data structures, concurrency, object-oriented Go, testing, and network programming Each chapter provides working code samples that are designed to help you understand respective topic Who This Book Is For If you have prior exposure to programming and are interested in learning the Go programming language, this book is designed for you. It will quickly run you through the basics of programming to let you exploit a number of features offered by the Go language. What You Will Learn Install and configure the Go development environment to quickly get started with your first program. Use the idioms of the language including source code structure, variables, constants, and control flow primitives to quickly get started with Go Gain practical experience with the use of Go's type system including basic and composite types such as maps, slices, and structs. Use interface types and techniques such as generics to create idiomatic object-oriented programs in Go. Develop effective functions that are encapsulated in well-organized package structures with error handling and panic recovery. Implement goroutine, channels, and other concurrency primitives to write highly-concurrent and safe Go code. Test and benchmarked code using Go's built test tools Access OS resources by calling C libraries and interact with program environment and system details Detail The Go programming language has firmly established itself as a favorite for building complex and scalable system applications. Go offers a simple and practical approach to programming that let programmers write correct and predictable code using concurrency idioms and a full-featured standard library. This is a step-by-step, practical guide full of real world examples to help you get started with Go in no time at all. We start off by understanding the fundamentals of Go, followed by a detailed description of the Go data types, program structures and Maps. After this, you learn how to use idioms to avoid pitfalls and create programs that are exact in expected behavior. Next, you will be familiarized with the tools and libraries that are available in Go for writing and exercising tests, benchmarking, and code coverage. Finally, you will be able to utilize some of the most important features such as, Network Programming and OS integration to build efficient applications. All the concepts are explained in a crisp and concise manner and

this book; you would be able to create highly efficient programs that you can deploy over cloud. Style and approach The book is written to s
friendly step-by-step guide to learning the Go programming language. Each topic is sequentially introduced to build on previous materials co
concept is introduced with easy-to-follow code examples that focus on maximizing the understanding of the topic at hand.
